Subpart A—Preemption of State Prevailing Wage Requirements

§965.101 Preemption of State prevailing wage requirements.

(a) A prevailing wage rate including basic hourly rate and any fringe benefits) determined under State law shall be inapplicable to a contract or PHA-performed work item for the development, maintenance, and modernization of a project whenever:

(1) The contract or work item: (i) Is otherwise subject to State law requiring the payment of wage rates determined by a State or local government

or agency to be prevailing and (ii) is assisted with funds for low-income public housing under the U.S. Housing Act of 1937, as amended; and

(2) The wage rate determined under State law to be prevailing with respect to an employee in any trade or position employed in the development, maintenance, and modernization of a project exceeds whichever of the following Federal wage rates is applicable:

(i) The wage rate determined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a *et seq.*) to be prevailing in the locality with respect to such trade;

(ii) An applicable apprentice wage rate based thereon specified in an apprenticeship program registered with the Department of Labor or a DOL-recognized State Apprenticeship Agency;

(iii) An applicable trainee wage rate based thereon specified in a DOL-certified trainee program; or

(iv) The wage rate determined by the Secretary of HUD to be prevailing in the locality with respect to such trade or position.

(v) For the purpose of ascertaining whether a wage rate determined under State law for a trade or position exceeds the Federal wage rate: (A) Where a rate determined by the Secretary of Labor or an apprentice or trainee wage rate based thereon is applicable, the total wage rate determined under State law, including fringe benefits (if any) and basic hourly rate, shall be compared to the total wage rate determined by the Secretary of Labor or apprentice or trainee wage rate; and (B) where a rate determined by the Secretary of HUD is applicable, any fringe benefits determined under State law shall be excluded from the comparison with the rate determined by the Secretary of HUD.

(b) Whenever paragraph (a)(1) of this section is applicable:

(1) Any solicitation of bids or proposals issued by the PHA and any contract executed by the PHA for development, maintenance, and modernization of the project shall include a statement that any prevailing wage rate (including basic hourly rate and any fringe benefits) determined under State law to be prevailing with respect to an employee in any trade or position em-

ployed under the contract is inapplicable to the contract and shall not be enforced against the contractor or any subcontractor with respect to employees engaged under the contract whenever either of the following occurs:

(i) Such nonfederal prevailing wage rate exceeds: (A) The applicable wage rate determined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a *et seq.*) to be prevailing in the locality with respect to such trade; (B) an applicable apprentice wage rate based thereon specified in an apprenticeship program registered with the Department of Labor or a DOL-recognized State Apprenticeship Agency or (C) an applicable trainee wage rate based thereon specified in a DOL-certified trainee program; or

(ii) Such nonfederal prevailing wage rate, exclusive of any fringe benefits, exceeds the applicable wage rate determined by the Secretary of HUD to be prevailing in the locality with respect to such trade or position.

Failure to include this statement may constitute grounds for requiring resolicitation of the bid or proposal;

(2) The PHA itself shall not be required to pay the basic hourly rate or any fringe benefits comprising a prevailing wage rate determined under State law and described in paragraph (a)(2) of this section to any of its own employees who may be engaged in the work item for development, maintenance, and modernization of the project; and

(3) Neither the basic hourly rate nor any fringe benefits comprising a prevailing wage rate determined under State law and described in paragraph (a)(2) shall be enforced against the PHA or any of its contractors or subcontractors with respect to employees engaged in the contract or PHA-performed work item for development, maintenance, and modernization of the project.

(c) Nothing in this section shall affect the applicability of any wage rate established in a collective bargaining agreement with a PHA or its contractors or subcontractors where such wage rate equals or exceeds the applicable Federal wage rate referred to in paragraph (a)(2) of this section, nor does this section impose a ceiling on wage

rates a PHA or its contractors or subcontractors may choose to pay independent of State law.

(d) The provisions of this section shall be applicable to work performed under any prime contract entered into as a result of a solicitation of bids or proposals issued on or after October 6, 1988 and to any work performed by employees of a PHA on or after October 6, 1988, but not to work or contracts administered by Indian Housing Authorities (for which, see part 905 of this chapter).

Subpart B—Required Insurance Coverage

SOURCE: 58 FR 51957, Oct. 5, 1993, unless otherwise noted.

§ 965.201 Purpose and applicability.

(a) *Purpose.* The purpose of this subpart is to implement policies concerning insurance coverage required under the Annual Contributions Contract (ACC) between the U.S. Department of Housing and Urban Development (HUD) and a Public Housing Agency (PHA).

(b) *Applicability.* The provisions of this subpart apply to all housing owned by PHAs, including Turnkey III housing. However, these provisions do not apply to Section 23 and Section 10(c) PHA-leased projects or to Section 8 Housing Assistance Payments Program projects.

§ 965.205 Qualified PHA-owned insurance entity.

(a) *Contractual requirements for insurance coverage.* The Annual Contributions Contract (ACC) between PHAs and the U.S. Department of Housing and Urban Development requires that PHAs maintain specified insurance coverage for property and casualty losses that would jeopardize the financial stability of the PHAs. The insurance coverage is required to be obtained under procedures that provide "for open and competitive bidding." The HUD Appropriations Act for Fiscal Year 1992 provided that a PHA could

purchase insurance coverage without regard to competitive selection procedures when it purchases it from a nonprofit insurance entity owned and controlled by PHAs approved by HUD in accordance with standards established by regulation. This section specifies the standards.

(b) *Method of selecting insurance coverage.* While 24 CFR part 85 requires that grantees solicit full and open competition for their procurements, the HUD Appropriations Act for Fiscal Year 1992 provides an exception to this requirement. PHAs are authorized to obtain any line of insurance from a nonprofit insurance entity that is owned and controlled by PHAs and approved by HUD in accordance with this section, without regard to competitive selection procedures. Procurement of insurance from other entities is subject to competitive selection procedures.

(c) *Approval of a nonprofit insurance entity.* Under the following conditions, HUD will approve a nonprofit self-funded insurance entity created by PHAs that limits participation to PHAs (and to nonprofit entities associated with PHAs that engage in activities or perform functions only for housing authorities or housing authority residents):

(1) *An insurance company (including a risk retention group).* (i) The insurance company is licensed or authorized to do business in the State by the State Insurance Commissioner and has submitted documentation of this approval to HUD; and

(ii) The insurance company has not been suspended from providing insurance coverage in the State or been suspended or debarred from doing business with the federal government. The insurance company is obligated to send to HUD a copy of any action taken by the authorizing official to withdraw the license or authorization.

(2) *An entity not organized as an insurance company.* (i) The entity has competent underwriting staff (hired directly or engaged by contract with a third party), as evidenced by professionals with an average of at least five years of experience in large risk (exceeding \$100,000 in annual premiums) commercial underwriting or at least
